

# Considering teaching Maths or Physics?

Apply to do a Teaching Internship this summer

Internships available in Secondary schools for Maths and Science (Physics)

**St Joseph's College are again running a teaching internship scheme this summer for undergraduates studying for a Maths or Science degree who are considering teaching maths or physics as a career.**

- 4 weeks from 14th June to 9th July 2021
- £300 a week
- Chance to gain insight into what it is like to be a teacher
- Work alongside maths and science teachers in a secondary school or maths specialists in a primary school in and around Stoke-on-Trent.
- Participate in an adaptable programme which will be delivered in part remotely
- Ongoing support for teacher training applications.

ST JOSEPH'S  
COLLEGE SCITT

School Centred Initial Teacher Training
